Our Vendor of the Month for February is EASTERN FISH COMPANY!

Eastern Fish Co. began in 1974, primarily as a fish and crab trading company sourcing products from Alaska and Canada. By 1982, they re-directed their focus to the burgeoning farm-raised shrimp industry and began supplying fresh, consistent, premium quality shrimp. In April of 2014, Eastern Fish took on a financial partner - Marubeni Corporation. This new partner further strengthened their global programs and allowed them to expand their global network to cover Japan, Europe and the U.S. as well as maintaining strong relationships with producers in Alaska, Asia, and South America. Today Eastern Fish is one of the world's largest importers and marketers of shrimp. Their products are of the highest quality and will be a sure fire winner with your customers. These items will be on special for the whole month of February, so this is the perfect time to try something new!
